Find us!

We plan to settle in the Red Oak picnic area as indicated on the park map. We were unable to reserve a shelter, but our advance scouts ... Sherry Hammond Presson '80 and Kevin Romano '78 ... have reported back that there is ample parking and picnic facilities including tables, grills and, uimm, potties.

Since we won't have shelter, if you have a canopy, it may be worth packing. We all know that weather in the Midwest is unpredictable!

Please note: *The park has a no alcohol policy ... if you choose to imbibe, please be discrete on behalf of the group!*

Camping and Cabins

Rock Cut has both ... please go to <http://dnr.state.il.us/lands/Landmgt/parks/r1/rockcut.htm> for details.
